Appendix B

Digital Documentary Storyboard: What's the Big Picture?
This is your opportunity to tell the story of your person’s life – not like an electronic encyclopedia entry, but more like a movie of someone’s life.

Step 1 – The Opening: What and when is the setting? Who is the character?

Step 2 – Defining Moment: What was a key moment in your character’s life?

Step 3 – Events: What events led up to this defining moment? What were the complications or obstacles? What were the turning points?

Step 4 – Resolution: What happened? How was the situation resolved?

Step 5 – Conclusion: So what? What was the impact of this character’s resolution? Why is it still important to remember this today?
